These cards are so beautiful and as I look through them I am reminded of how I felt when I first discovered Louise Hay 25 years ago. I love these cards, I love everything about Louise Hay and her message. I am glad to have found these cards again, I will pick a card every day and focus on it's message. This is also a great gift for anyone in your life. Edited October 17, 2019 Picking a card a day to think about it, hold it in my mind and walk through life a bit more mindful, open and grateful, has been a very lovely exercise for me. health-mental psychology-nonfiction May 1, 2021 Oh my these power thought cards are so beautiful. They have quotes on both sides of little square coaster size pictures. I don't know how to even display them because both sides of the cards are stunning to look at. The artwork is fantastic. January 18, 2020 Simple and wonderful. I have some cards near my mirror and next to my bed. I can always take a card and pick the one I need at the moment.
